PLEASE READ: Birthday Party FAQ!!

Enterrium's birthday packages are discounted bundles to offer maximum value for your child's birthday celebration. The party and space are designed to accommodate a minimum of 10 children with up to 4 adult chaperones. Adults and parents are always welcome to stay in the venue, however, if additional space at the party is required to accommodate more than 4 adults then a larger space will need to be reserved, and a pre-ordered food & beverage minimum will apply.

All packages are 2.5 hours in duration with a 15-minute grace period before and after the party.

All birthday party packages will start no later than 5pm on Saturday & Sunday (with the exception of Teen Packages).

All packages are eat first, play second.

Timeline modifications are NOT accepted.

Adults are NOT included in the package.

Guests may bring a celebratory cake or cupcakes from a store or licensed bakery. Homemade items are not permitted. We do not allow ice cream or ice cream cakes, we also cannot store cakes. No other outside food and beverage is allowed in the venue.

Food & beverage minimums will apply if the number of adults exceeds 4 or if a larger space is required (30+ total guests).

All packages are subject to a 21% event service fee and applicable sales tax.

All bookings require a signed contract & 50% non-refundable deposit to confirm.

Final guest count and details are due (4) business days prior to the event. Failure to provide this information on-time will result in the contract being charged for the full amount booked and additional add-ons being subject to availability.
